March 2010

Dear Supporter,

Eastview Boys and Girls Club have been serving the young people in our community since 1963. It is safe to say that over the course of the past 47 years thousands of young people have had their lives positively impacted because of their involvement in our agency. This has been a fantastic year for our agency as we have opened programs in Whitby and Ajax thereby allowing us to reach even more children.

At the Boys and Girls Club the healthy development of children is at the centre of everything we do. The average child has 67 hours of discretionary time each week; this is more time than they spend at school! Participating in organized out of school activities is one constructive way that young people can spend their free time. In order that our programs be available to the children who need us the most, our annual membership fees are very affordable. It costs just \$50 per year for a child to become a Boys and Girls Club member. Because we operate six days a week, this translates to just pennies a day!

Preparations are now underway for the Eastview Boys and Girls Club third Annual Gala Event. This evening of fine dining, dancing and “shopping” during our live and silent auctions will be held on Thursday June 10, 2010 at the Tosca Banquet Hall.

It is our hope that you will lend your support to our Gala by donating an item to be auctioned in your name. Also we are pleased to offer a variety of sponsorship options that may be of interest to you. Please review the variety of options on the attached page.

We expect over 200 business people, community volunteers and residents to attend our ‘Clubhouse Rock Gala’. This is a terrific opportunity to promote your business as well as support our programs for the children of Durham Region. Eastview Boys and Girls Club appreciate your support in making this event a success!

Thank you in advance for your generous donation. I will be in touch with you soon in hopes to confirm your support!

Sincerely,

*Lisa McNee Baker*
